keep

kids

safe!

## Pine Ridge Traffic Rules– to keep everyone safe!

### Morning Drop Off Rules:

1. Students are allowed to enter the school at 7:50 am. The final bell, signifying the start of class is at 8:00 am. (This is the “Tardy” bell.)
2. No parking or standing in the Fire Lane (the loop inside the parking lot by the front of the building). It is DROP OFF only! The Fire Lane is marked with a red curb.
3. Drop off is only allowed along the fire Lane RED curb. Drop off is not allowed in the parking lot by the handicapped parking spots.
4. If you want to wait until 7:50 am, or want to walk your child to the door, you must park in a designated parking spot. Parking is available in the school parking lot, the Clubhouse parking lot and on Wheatlands Parkway. (Note: unless you have a Handicap sign, you are not allowed to park in the handicapped spots at the front of the school. Violators will be ticketed.)
5. When leaving the parking lot, it is a RIGHT TURN ONLY onto Wheatlands Parkway. Cars are asked to refrain from turning left and going straight. This is to help keep traffic moving inside the parking lot, as well as for the safety of the traffic on Wheatlands Parkway.

### Afternoon Pick Up Rules:

1. Kindergarten students are available for pick up at 2:40 pm. First through 5th graders are released at 2:45 pm.
2. Kindergarteners are not released until the teacher sees the parent (or caregiver). This is for the safety of the student.
3. For PICK UP ONLY, cars are not allowed to “park” in the fire lane around the loop inside the parking lot, but legally, you are NOT ALLOWED to leave your car at any time because it is a fire lane. Cars that are parked in the loop without a driver in the front seat are subject to a ticket. If you need to leave your car to get your student from the teacher, you will have to park in a designated parking spot in the lot or on Wheatlands Parkway.
4. When leaving the parking lot, it is a RIGHT TURN ONLY onto Wheatlands Parkway. This is to help keep traffic moving inside the parking lot, as well as for the safety of the traffic on Wheatlands Parkway.

**When in doubt, follow the signs throughout the parking lot. If you ever have a question, ask the front office or a crossing guard.**
