Dear Parents,

“Coming together is a beginning. Staying together is progress. Working together is success.” - Henry Ford

We are off to such a great start this year at Pine Ridge Elementary. In our first two years, I have observed students who are eager to learn, staff that loves your children and a community that is committed to their school and children. Our third year has started off just as well, if not better! I thank all of you for making Pine Ridge such a terrific place to work and learn.

A couple of items we would like to ask for your assistance in this year is attendance and student pick-up and drop-off. First, please make sure your child is arriving at school on time. It is crucial that they begin class with their teacher and classmates to get off to a great start for the day. The first bell is at 8:55 and the tardy bell is at 9:00. Students who arrive after that time must come to the front office to get a tardy slip. Please make every effort to ensure your child gets here on time.

As many of you have noticed, we have had officers from the Aurora Police Dept. on campus assisting us with our parking lot and adjacent streets. I have answered a few questions from parents regarding the officers presence and the short answer is we are doing everything in our power to keep all of our students safe. I appreciate the positive feedback from the majority of parents as well as your cooperation. The parking lot and surrounding streets are much more calm and safe because of your patience. If everyone will stay patient we will continue to have great dismissals and drop-offs. It is amazing that we are able to dismiss over 800 students in less than ten minutes, safely on a daily basis. In addition, we are continuing to work on the problems in the morning and after school with people double parking on the streets surrounding the school and also having children run between cars to get to their class. The police department has informed us they will be issuing tickets for people double parking or not following safety rules around the school both in the morning and afternoon. We do not want anyone to receive a ticket and most of all we want all of your children to be safe as they arrive to school and leave in the afternoon. All classes line up in the back of the building on the playground, away from traffic and walk into the building with their teacher. If you need to enter the building, you will be directed to the front entrance to sign in appropriately. The intent is to ensure the safest learning environment for your student. Thanks for your cooperation.

We look forward to continuing through a terrific school year and with everyone working together....we will accomplish our goal! GO PANTHERS!!!

Sincerely,

Darin Carney, Principal
my.cherrycreekschools.org

We hope that you found our new online check-in process easier and more “user-friendly” than the paper process that we had in years past. Now that all of your child’s emergency contact and medical information is online we need your help in keeping it up to date. If you ever need to change or update any of that information, simply log on to your account at http://my.cherrycreekschools.org and make your update. It’s that simple and this ensures that we have your most recent information.

Also, if you have NOT done your online check-in, please do so AS SOON AS POSSIBLE. It is imperative that we have your child’s emergency contact and health information on file. This also allows our school nurse to do vision/hearing screenings for your child. If you are having trouble with this process or need your child’s student id, please contact the front office at 720.886.8800.

School Safety

Around the School
For the safety of all children, if you need to be on school grounds for ANY reason, you must check in at the front office and get a visitor’s sticker. This includes visiting the mobiles. It is also a good idea to have your id with you when visiting the school as you may be asked to produce it by a staff member who may not recognize you.

Dogs at School
Although we all think dogs are wonderful, school is not the place for them. Even the most docile dogs can become agitated when there are a lot of people around. We also have children here at school who either have allergies or a real fear of any dog, large or small. Because of this, we respectfully ask that ALL dogs be kept off of school property, including our outdoor areas. Thank you for your help and cooperation in making sure all of our kids feel safe.

Destination Imagination is Coming to Pine Ridge!

Destination Imagination (DI) is the world’s largest creative problem solving competition program. Students form teams and work together to solve open-ended challenges over the school year. Through this program, kids will gain skills in teamwork, creative thinking, and problem solving. Applications are due Wednesday, September 12. Please see the attached flyer for more information.
Early Dismissals & Absences

If for any reason you need to pick your child up early from school, please make sure that you allow extra time for us to call your child down to the office. Many times children are in specials classes, on the playground or somewhere else in the building. In that case, it does take some time to find them and then have them get back to class to get their belongings, homework, etc. This is especially true on Friday afternoons.

Also, if your child will be absent or late for ANY reason, please be sure to call and leave a message on our ATTENDANCE LINE @ 720.886.8895 any time 24/7. This lets us know that your child is safe and with you.

“Like” us on Facebook

Did you know that Pine Ridge Elementary has a facebook page? “Like” us on facebook and you’ll be able to keep in the loop on things happening here at school and PTO updates. *Be sure you “Like” Pine Ridge Elementary in Aurora, CO.

Check Out Our New Marquee!

You may have noticed our brand new marquee in front of the school. We would like to thank our amazing PTO committee and you, the community, for helping us purchase this beautiful addition to our school. We hope to have it up & running very soon so that we are better able to keep you all informed of what we have going on here at Pine Ridge.
Hello Parents! We’re off and running on the new school year. As we strive to make this the healthiest environment for your child, we ask that you help us with a few things:

◊ Make sure you have completed the online health/emergency forms at mycherrycreekschools.org. Without these forms we have no idea of what health conditions your child has or who to call in an emergency.

◊ **If your child is taking medication** or has a change of medication, please let the nurse know. The medication might cause an adverse reaction for which we can monitor.

◊ **Do not send notes about your child’s health (especially medications to be given) to the teacher; send them to the nurse.** You may leave a message on the clinic phone at 720-886-8804.

◊ Please send in an **inhaler or EpiPen** for your child if they have asthma or an allergy. Both of these conditions can be life-threatening. Also, please send in the proper paperwork that must accompany the medication. If you are unsure of the forms, call the nurse for assistance.

◊ **The immunization record** on file at school is considered to be legal proof of vaccination. Please inform the nurse of any new shots that are given, including influenza vaccine.

◊ If your child has a **fever**, he must stay out of school until he is fever-free for 24 hrs. Please be considerate of the other children in our school and keep your ill child at home.

We are very fortunate to have a nurse in every school in CCSD. It allows us to get to know the children personally and to provide care that otherwise might not be available. Our goal is to keep your child in his classroom, learning at his best abilities. I appreciate your help in allowing me to provide optimal care to your child.

---

**REGISTERED NURSES:** Cherry Creek School District is looking for substitute, part-time and full-time school nurses. Would you be willing to substitute in your neighborhood school? Would you like to work full or part-time in this exciting discipline AND have holidays, weekends and summers off? A school nurse position may be the perfect position for you. If you are interested, please contact Marnie McKercher, CCSD Health Services Coordinator at (720) 554-4275.
12TH ANNUAL

(Officially timed by timing chip)

KO 1K
FITNESS WALK
(Non-timed)

Saturday, September 8, 2012
7:30AM REGISTRATION OPENS • 8:30AM RACE START TIME

A Great Event for the Whole Family!

Location: Race Start & Finish: Crescent Park (Corner of Bellevue & DTC Boulevard)

Go Green! Save Time! Register Online! Go to www.fasbfitnessfestival.com

Beneficiary
Students throughout the Cherry Creek School District will benefit from the Fitness Festival. Net proceeds go to the Community Asset Project, which was established to support Cherry Creek Schools’ Wellness Office. The mission of the Community Asset Project (CAP) is to ensure that all children maximize their life skills and academic potential. CAP-funded programs build assets and support the social-emotional well-being of children, which help deter negative behavior, such as tobacco, alcohol and other substance abuse and acts of violence.

For more information please visit www.fasbfitnessfestival.com
Announcing
Destination ImagiNation®
2012 – 2013

Destination ImagiNation is an extracurricular activity that is open to all Pine Ridge students (K-5) who enjoy creative problem solving and being a part of a seriously committed team. Participation in Destination ImagiNation is a five months commitment that typically begins after fall break and culminates at the Cherry Creek Regional Destination ImagiNation Tournament in March. This year, the CCSD tournament will take place on Saturday, March 9, 2013 at Eaglecrest High School. Teams that do well will advance to the State Tournament held on April 13, 2013.

Five to seven students are assigned to a Destination ImagiNation team. These teams are often multiage grouped and formed by the Pine Ridge DI coordinator. Once teams are formed, teams get together with the volunteer team manager and parents involved to discuss schedules and find a common time for meetings. Most teams meet in the team manager’s home once a week in the early stages. As the competition nears, the length and amount of meetings per week increases.

Destination ImagiNation is dependent upon leaders who are adult volunteers. These volunteers are called Team Managers. All team managers are required to attend a Team Manager Training. There are two options for this training.

Saturday, November 10, 2013 – Cherry Creek
Saturday, January 12, 2013 – DPS–South High School

If your child is interested in participating in Destination ImagiNation, please complete the application form and return it to Emily Broder. Applications are due September 12, 2012. The Destination ImagiNation Coordinator will form teams. Potential Team Managers will be contacted and consulted before teams are finalized.

For more information about DI, see www.extremecreativity.org

Sincerely,

Emily Broder
Destination ImagiNation Coordinator
Pine Ridge Elementary
If your child is interested in participating in Destination ImagiNation during the 2012 - 2013 school year, please print and complete this application form. Please return this form to Emily Broder by September 12, 2012.

Complete and return to Emily Broder by September 12, 2012
Dear Pine Ridge Families,

The Positive Behavioral Interventions and Supports (PBIS) Team would like to welcome you to a new school year and share with you a little bit about PBIS. Most schools throughout the Cherry Creek School District and hundreds across the state of Colorado have implemented PBIS which is a research-based initiative with the goal of establishing and maintaining effective school environments that maximize academic achievement and behavioral competence of all learners. This competence is gained as a result of school staff and families working together to provide a continuum of support for all Pine Ridge students. Positive Behavioral Interventions and Supports include the following practices:

- A common purpose, language and approach to discipline
- Procedures for teaching and encouraging expected behavior while discouraging inappropriate behaviors
- Data to guide decision making and planning
- Emphasis on prevention of inappropriate behaviors
- A clear set of positive expectations and behaviors which are in the following Pine Ridge Panther LEAP acronym:
  - Leadership
  - Effort
  - Always Safe
  - Positive Attitude

This week and next, all students will learn how to display LEAP behaviors in the classrooms, halls, restrooms, playground, cafeteria, library and gym. They will also learn about respecting themselves and others, and how negative behaviors such as bullying are strictly prohibited at Pine Ridge.

Throughout the school year, teachers and staff will acknowledge students who demonstrate our school-wide expectations through the use of a positive ticket system (LEAP Cards) paired with chances to earn classroom incentives as well as prizes from the office through weekly drawings. We will also hold several LEAP Assemblies throughout the year where students will learn more about making good choices and how to display positive, pro-social behaviors. LEAP Assemblies will also be a time when students who have displayed outstanding positive LEAP behaviors will be recognized. If your child is chosen for this honor, his/her classroom teacher will invite you to the assembly so that you too can help us celebrate your child’s positive behavioral contributions to our school.

We believe that by helping students practice good behavior, we will build a school community where all students have an environment where they can succeed and grow. Your input and your involvement is always welcomed. Please contact us at school if you have any questions or need further information. Thank you for your support!

-The Pine Ridge PBIS Team
Stacey Zimmerman, School Social Worker and PBIS Coordinator
Top Ten Positive Behavior Tips

1. Remember 5 positives to 1 negative.

2. Set the stage for success, reward the effort.

3. Give clear, specific directions.

4. Stay calm, use a calm voice - *nagging gets you nowhere*!

5. Set reasonable limits - avoid using "always" or "never".

6. Be CONSISTENT! "Yes means Yes and No means No".

7. Set the example - *Actions speak louder than words*.

8. Proactively anticipate situations.

9. Have patience - *a little goes a long way*!

10. *Have fun and enjoy the ride*!

                                |           | - Throw away trash  
                                |           | - Use kind words with others  
                                |           | - Look and listen when the whistle blows  
                                |           | - Pockets flat on floor and sit up tall  
                                |           | - Voices off  
                                |           | - Take good care of resources  
                                |           | - Do your very best work  
| **Always Safe**           |                | - Walking Feet  
                                |           | - Hands to yourself  
                                |           | - Eat your own food  
                                |           | - Stay in your seat  
                                |           | - Always wash your hands  
                                |           | - Use equipment safely & properly  
                                |           | - Keep rocks on ground  
                                |           | - Hands and feet to yourself  
                                |           | - Use equipment and resources safely & properly  
                                |           | - Follow directions and rules for safe use of technology  
| **Positive Attitude**     |                | - Be courteous to others  
                                |           | - Hold door  
                                |           | - Smile  
                                |           | - Invite others  
                                |           | - Say “please” and “thank you”  
                                |           | - Respect others privacy  
                                |           | - Practice good sportsmanship  
                                |           | - Take turns  
                                |           | - Say “good game”  
                                |           | - Learn something new!  
                                |           | - Be open and ready to learn  
                                |           | - Ask questions  
                                |           | - Help one another  

*** This area will be completed with the students in each classroom.

Lunch Menu FAQs

What makes a school lunch meal? Take at least 3! New for School Year 2012-13, each student must take at least 1 fruit or vegetable plus 2-4 additional meal components to make a reimbursable meal. The meal components are fruit, vegetable, meat/meat alternates, grain/bread and milk. Keep in mind, a main entrée may contain more than one meal component and is often a combination of meat/meat alternates and grain/bread components.

What is the Fruit and Vegetable of the Month Program? This program features one fruit or vegetable each month to expose students to more varieties of fruits and vegetables. During the month when a fruit or vegetable is highlighted, there will be information in the cafe about the fruit or vegetable and a special recipe containing it will be featured. Check your school cafeteria to see which fruit or vegetable is featured each month.

What is the Seasonal Salad? The seasonal salad featured in Cycle 3 of the menu cycle will depend on the seasonal availability of produce. It will rotate between an Oriental Chicken Salad and a Strawberry and Spinach Salad. An additional salad may be featured as well depending on the fresh produce available.

Are the vegetables listed the only fruits and vegetables available? No. The listed vegetables will be available on the day they are specified. A variety of additional fresh, frozen and canned fruits and vegetables will be available each day. The specific choices will depend on the season, our fruit and vegetable of the month program and availability.

My child has a food allergy. How can I find which meals he or she can eat? Please visit www.ccsdcafe.org to access a complete listing of allergens in our meals.
EARN YOUR

IT’S MORE FUN WITH FRIENDS BADGE.

With lots of fun badges to earn, Scouts learn the best part of success is the journey. Start yours at BeAScout.org.
